Absorbing surface

non absorbing surface

Ceracoat is
UNIQUE

Economy of time + money

Ecological

1 product for everybody

**No need for
cleaners any more
Less cleaning**

Very easy to use

+

Very economic

Economy of time + money

Same price as in the shops

1 product for everybody

NEW

Ceracoat passion

MLM Distribution

The most direct way between
the product (manufacturer) +
the consumer

Demonstration,
Explanation + Product delivery

You and your clients
save time
and earn money

Instead of investing in the
profit of the shops and
advertising
those amounts are distributed
to our COLLABORATORS – Over
60% of the turn over is distributed

Ceracoat's MLM

**Ceracoat's MLM distribution
Is UNIQUE**

**Because of its expertise +
Because of the CERACOAT
products**

- 1 Often need of entry payment
- 2 Often need to buy stock
- 3 Often the prices are higher than in the shops
- 4 Often the products are limited to a few consumers
- 5 Often need to pay for training
- 6 Distribution of small part of turn over

- 1 No entry payment
- 2 No stock to buy
- 3 Unique products + same price as in the shops
- 4 No limits: a product for everybody
- 5 Free training
- 6 Distribution of over 60% of the turn over
