List of certificates for CERACOAT products / coatings

coating	certificate	reason / result / proof
textile care	1) Hohenstein + Osttrüringische Materialprügsanstalt	contact angle permanent coating stain repellence hydro- and oleophobic washing resistance (45)
anti fire paper	2) IBS Institute Linz, Austria	anti fire paper B1 class
anti fire textile	3) IBS Institute Linz, Austria	anti fire textile B1 class
anti fire wood	4) IBS Institute Linz, Austria	anti fire wood B1 class
vehicle care	5) ASTM D 2486 testing Testing simulations	hydrophobic oleophobic perl effect washing resistance contact angle
overall coatings	6) CBA Chemische Produkteberatung + EC 1935/2004 Regulation of the European Parliament	food stuff neutral + safe
glass/plexi care	7) CBA Chemische Produkteberatung + EC 1935/2004 Regulation of the European Parliament	food stuff neutral + safe
engine care	8) University of Eindhoven	economy of fuel reduction of gas emission
engine care	9) University of Arnheim	increase in power less power needed ad idle economy of fuel

coating	certificate	reason / result / proof
engine care	10) University of Arnheim	increase in power and torque less power needed to start the engine diminution of friction
engine care	11) Tetrosyl Laboratory UK	confirmation of quality
truck engine care	12) Truck company Norway	huge economy of fuel
engine care	13) Winfield race team Feu Vert Montpellier Sealtec Construction Israeli Army	confirmation of results economy of fuel and oil reduction of gas emission
engine care	14) Würth company Marka company	reduction of friction reduction of wear economy of fuel
glass care	15) Fresenius Institute CBA - Chemische Produkte Beratung + Analyse	anti bacteria property foodstuff neutral + safe uv resistance long lasting 6 years anti corrosive
gun care	16) Laboratory tests Anschütz rifle company	corrosion protection temperature resistance long lasting easy-to-clean reduction of friction + wear
Ceracoat brand	17) REACH + TSCA	accordance to REACH and TSCA regulations
textile care stone care wood care	18) Hohenstein Institute	human ecological human safe
stone care	19) Schloss-Church Saarbrücken Zeiher expert	hydrophobic and oleophobic properties for over 10 years anti-graffiti properties anti wear properties increase of the life-time of the surface no cleaning needed any more

coating	certificate	reason / result / proof
screen care	20) ASTM C1624-05 laboratory tests Rockwell scratch test ASTM E2180 anti-bacteria tests	bubble free protection abrasion resistance reduction of finger prints easy-to-clean antimicrobial protection (99,9%) acid and alkaline resistance hydro- and oleophobic scratch resistance (600%)
stone care	21) CBA Chemische Produkte Beratung und Analyse LFBG certification VO (EG) 1935/2004	food stuff neutral + safe
stone care	22) Abrasion test according to ASTM G154 standard EN ISO 11998 standard	contact angle long lasting effect resistance to abrasion resistance to UV resistance to aggressive liquids washability (resistance)
truck engine care	23) truck companies	increase of engine life time economy of fuel and oil reduction of gas emissions reduction of wear and noise increase in power
windshield care	24) TüV	water repellency easy-to-apply scratch resistance
stone care	25) Vatikan Academy of Science Global Prefer expertise	long lasting protection (over 10 years) oleo- and hydrophobic anti-graffiti properties easy-to-clean
wood care	26) Polymer Service Insitutute DSA100 testing device UV ISO 11507	long lasting oleo- and hydrophobic properties (over 6 years) contact angle
vehicle care	27) DEKRA	liquid and dirt repellency easy-to-clean renovation properties

coating	certificate	reason / result / proof
vehicle care	28) substrate long time test	long lasting protection anti scratch properties abrasion resistance
engine care ceramic grease	29) NSF	food stuff neutral + safe
engine care	30) TüV certificate	TüV certified
